Valedictory Address of COLLNET Conference 2022
Associate Professor Dr.Tassana Hanpol
President of Thai Library Association (TLA)
November 11, 2022 Bangkok Thailand

Good Afternoon
Dr. Dinesh Kumar
Dr.Debal C Kar
Prof. A P Singh
Ms. Seema Rampresad
Dr. P K Jain
Delegates, Participants, Ladies and Gentlemen

On behalf of Thai Library Association, it is an honor to co-host the 21st COLLNET Meeting, 2022 together with the Office of Academic Resources at Chulalongkorn University. This conference promotes collaboration and communication in science and technology; science policy; quantitative aspects of science; and the combination and integration of qualitative and quantitative approaches in study of scientific practices. The conference aims to contribute to evidence-based and informed knowledge regarding scientific research and practices which, in turn, may provide further input to institutional, regional, national and international research and innovation policy making.

This is the first time our organizations have worked with COLLNET staff and I am confident this conference will be exceptionally successful. More than 66 papers have been presented. We know that the participants will gain knowledge information and skills beneficial to their roles as information professionals. We also expect participants will experience and enjoy Thai culture and Thai food. Also, participants had a good time on the library tour to the Grand Palace, Museum and Learning Center at the Thai National Bank and the National Library. Thai Library Association and the Office of Academic Resources at Chulalongkorn University are happy to convey our best wishes to all of you. We hope you will have and keep good memories of this conference and Thailand.

Finally, I wish all of you have a safe return home and Bon Voyage,
Thank you
